Specification

Model No.	Voltage	(mm)	(kw)	(rpm)	(m ³ /h)	dB(A)	(mm)
PAF800-1	220	800	0.37	500	27000	60	900*900*350
PAF800-3	380	800	0.37	500	27000	60	900*900*350
PAF50-1	220	950	0.55	500	32000	60	1060*1060*350
PAF950-3	380	950	0.55	500	32000	60	1060*1060*350
PAF1270-1	220	1270	1.1	450	44500	65	1380*1380*350
PAF1270-3	380	1270	1.1	450	44500	65	1380*1380*350

***Industrial ventilation requires
20 air changes per hour**

**NB: Installation must include appropriate overload protection. A
stop/start switch on its own will not protect the motor**
